

## USB 3.0 cable - Type C SuperCharge

SKU: TECABLETCHU15K

### Cable for charging and data transfer with Super Charge technology for Huawei smartphones and reinforced Type C USB 3.0 cables

You can recharge your device and transfer files quickly between devices thanks to the **USB 3.0 type C cable**.

This accessory is compatible with all the products which have a type C port and is perfect for Huawei smartphones with **Super Charge**.

The cable, which meets the requirements for this technology, guarantees fast and safe power supply for **up to 5A**. Connect the smartphone up to the Huawei original battery-charger: **the phone will be 70% charged within approx. 30 minutes**.

This cable is also able to transfer files at a speed of up to **480 Mbs**: it is possible to send 1 GB of data to another device within approx. 40 seconds.

The **connectors are reinforced** so they are robust and able to withstand prolonged use. The length of 150 cm guarantees enviable versatility, allowing you to connect up devices a long way from one another or positioned at different heights.

The **tangle-resistant finish** means that once and for all you can avoid the cable becoming knotted and tangled; it will be very easy to dispense and rewind.
