Travel pillow with microsphere filling and neck support

SKU: TETRAVPILLPEARL

Support and comfort for every journey

CERVICAL SUPPORT FOR TRAVELLING IN TOTAL COMFORT

This **travel pillow** is designed to provide comfortable neck support during journeys. Its enveloping shape helps to **support the chin, reduce cervical tension, and keep the neck more stable**, promoting a relaxed position even when sitting for long periods. Ideal for resting on planes, trains, or in cars, it accompanies every trip, making breaks more enjoyable.

MICROBEAD FILLING FOR SOFT AND ENVELOPING COMFORT

Thanks to the special **microbead filling**, the pillow adapts to the shape of the neck, offering a soft and comfortable support. The enveloping structure helps distribute support around the cervical area, improving comfort during rest. A practical solution to **promote comfortable sleep while travelling**, even on longer journeys.

LIGHTWEIGHT DESIGN AND POLYESTER FABRIC FOR EVERY TRIP

The **Lite Travel Pillow cervical pillow** combines a **lightweight design** with a **100% polyester cover**. The U-shape wraps around the neck, while the convenient front fastening system helps keep the pillow in place during use. Perfect to take with you on business trips, holidays, or long transfers, it offers a simple and versatile solution to relax anywhere.
