Keep documents, cash and personal items safe and hidden under your clothes

HIDDEN TRAVEL FANNY PACK TO PROTECT YOUR PERSONAL BELONGINGS

The **hidden travel fanny pack from the Go First collection** is designed to discreetly store essential items while on the move. Thanks to its **slim design that is barely visible under clothing**, it allows you to keep your passport, ID documents, cards, cash, and smartphone always within reach. Ideal for travel, airports, hikes, and sightseeing, it offers a practical solution for carrying personal belongings without having to use bulky bags.

ZIPPERED POCKETS TO ORGANISE DOCUMENTS, CARDS, AND CASH

The **zippered pockets** allow you to store and organise personal items, keeping them protected while travelling. You can separate your passport, payment cards, and money, making them easily accessible when needed. The **travel document fanny pack** is especially useful in crowded places, on public transport, and during outdoor activities, where keeping valuables close to your body helps reduce the risk of loss.

ADJUSTABLE BELT AND DISCREET POLYESTER DESIGN

The **adjustable belt with buckle closure** allows you to comfortably wear the fanny pack around your waist, adapting it to your needs. Its flat structure enables you to wear it **under t-shirts, shirts, and other garments**, keeping your personal belongings hidden from view. Made from **100% polyester**, the fanny pack is practical to use and carry. Its black colour and simple design make it a versatile accessory for those who want to travel with greater peace of mind and freedom of movement.
