

## Bluetooth headset with ear support

SKU: TEECO0CBH80K

### V.4.2 Bluetooth headset with ear support and multi-function button, plastic-free packaging

#### A CHOICE OF STYLE AND PRACTICALITY

This **headset with Bluetooth technology** is a modern design accessory that will allow you to practically answer calls and listen to music.

The **ear support** that characterises it ensures not only great comfort but also guarantees maximum stability during use.

#### PLASTIC-FREE PACKAGING

The **eco pack** renounces its plastic components opting for a **totally paper composition**.

#### MUSIC AND CALLS: JUST ONE KEY

The headset features a **multi-function button** that allows both call handling and music control.

To answer incoming calls you need to press the button **once**, the same to end a call. If you want to reject a call, you need to hold it down for two seconds.

To play and pause songs, you just need to press the key **once quickly**.

#### EASY CHARGING

Inside the package there is a **USB-Micro USB charging cable**.

When the headset runs out of power, you can charge it by connecting the Micro USB connector to this accessory and the USB in the dedicated input of a PC or a charger.
