

## BT501 Wireless Magnetic Earphones

SKU: TEECOEARBT501K

**Wireless headset with ear loops and neck strap with magnetic attachment, and controller with buttons for managing music and calls, plastic-free packaging**

### PERFECT FOR AN ACTIVE LIFESTYLE

Wear them around your neck with the magnetic clasp so they don't fall when you wear them. The **BT501 wireless earphones** are the perfect solution for those who are always on the go and want to enjoy music and calls throughout the day.

### PLASTIC-FREE PACKAGING

The **eco pack** renounces its plastic components opting for a **totally paper composition**.

### ADVANTAGES OF EASY USE

Access your smartphone's Bluetooth settings and pair the wireless earphones with your mobile phone.

The **neck strap with flat anti-tangle finish** closes when the headsets are joined together. The earphones are equipped with a **magnet** to attach them together. You can wear them around your neck and use them immediately without having to remove them from pockets or cases.

The in-ear design is not only very comfortable, but also prevents outside noise from disturbing you during use.

The earphones are also equipped with **practical ear loops**. When worn, they'll stay put even when you're on the move. They're also excellent when you're exercising.

### MANAGING MUSIC AND CALLS

There is a controller on the strap that will allow you to **manage your music and calls**. You will be able to answer or reject calls, redial the last number, increase or decrease the volume, and switch from one track to another.

### CHARGING YOUR EARPHONES

The controller features a Micro USB input: connect the **included cable** to a power source to charge the earphones.
