

## Ischia Type-C-USB 2.0 data and charging cable

SKU: TENOSTC

**Tangle-free cable for charging and data transfer with Type-C-USB 2.0 metal connectors, 1.5 metres long**

**Tangle-free cable for charging and data transfer with Type-C-USB 2.0 metal connectors, 1.5 metres long**

The **Ischia Type-C-USB 2.0 cable** from the **Nostalgia collection** evokes the 60s with its vintage-style finish, echoing the sophistication of the island it's named after.

This accessory can be used daily to power different devices such as a smartphone or tablet, even if they are not close by. The cable is **1.5 metres long** and its **tangle-free** weave makes it highly practical. Wrapping it up after use or extending it is rapid and easy.

Both its nostalgic charm and practicality make it stand the test of time. The Ischia cable is also equipped with shock-resistant **metal connectors** that withstand accidental dropping and wear.

This accessory is also pleasant to handle. The rubber coating, protecting the metal core, is comfortable to hold.

### Features:

- Recharging
