

## BT Speed wireless sports earphones

SKU: TESPEARBTSPEEDK

**Sports earphones with silicone ear loops with extra grip design and strap; controller with multi-function buttons for music and calls**

### SPORT WITHOUT COMPROMISE

Take your music to the mountains, the park or the gym. **BT Speed wireless sports earphones** are perfect for powering up your favourite tracks while you exercise. Take a moment to catch your breath and you can also use them to make or answer calls.

### DESIGNED FOR SPORT

The **silicone ear loops** and **hooks** provide excellent stability and grip thanks to their design developed for running. Avoid losing them or trying to keep them in place during your workout.

### THE ENERGY OF MUSIC, THE RELAXATION OF A CALL

Take full advantage of the functionality of BT Speed earphones. Connect them to your smartphone and manage your music with the **multi-function buttons**: keep the rhythm going with your favourite songs; switch tracks and adjust the volume with just a few clicks on the controller. When you want to rest or have finished your workout, you can make calls, answer/reject calls or redial the last number.

### POWERING THE EARPHONES

The controller features a Micro USB input: connect the **included cable** to a power source to charge the earphones.
