

## Universal car tablet holder with suction cup

SKU: TESUPPTABWIND

### Universal tablet support from 7" to 10" with suction cup attachment for windscreen and dashboard

The **Universal Car Holder** allows you to securely attach your tablet to your windscreen or dashboard and drive safely.

Equipped with suction cup mounting, this tablet holder supports 7" to 10" devices and can rotate through **360°** to allow you to view your device from any position.

The safe lock system allows you to securely lock your tablet. To operate, you just have to apply gentle pressure to the supports, adjust them and press again to secure the device. You will no longer have to worry about vibrations and potholes: your tablet will remain **fixed in place on your windscreen**.

This car holder is the perfect accessory if you want to use your tablet as an everyday navigational aid.

Drive in total safety while always having your road map handy.
