

## XXXL running armband for smartphones up to 6.7" with touch window

SKU: TESPORTFITBAND3XL

**Perfect armband for running: suitable for those who like to train without giving up music or calls**

### FOR ALL RUNNING FANS

Comfortable and suitable for **mobile phones up to 6.7"**: the **universal armband** is perfect for those who work out and want to enliven their workout with music. Carry your house keys with you in the **dedicated** pocket: they won't bother you while you're exercising.

### MUSIC AND CALLS

The armband has a special **hole** for wired earbuds. When you're working out, you can listen to music or take calls if necessary **without having to take** your smartphone out of its case.

### COMFORT

**Ultralight and made of breathable material**, the armband is XXXL: you can wrap it around your arm without it being too tight.

### REAL TIME DATA

The armband is equipped with a **transparent touch screen** so you can see the route covered and data such as speed, calories burned and all other information that is recorded by apps dedicated to sport.
