

Winter hip hop hat with wireless earphones

SKU: TEWOOLSAILB

Long beanie with built-in stereo wireless earphones featuring buttons to manage music, answer/end calls, and built-in microphone

This **winter hat** with stereo wireless earphones is the right accessory if you want to stand out; protect yourself from the cold, listen to music and answer calls.

This **hip hop style** hat is a winner: a trendy, eye-catching accessory with a nod to urban culture.

The hat will keep you **warm** in the winter; this accessory is made **from a soft, snug fabric**. You'll never feel the cold when walking the dog or waiting for the bus.

Once connected to your smartphone, the **stereo wireless earphones** inside the hat will enable you to **listen to music and answer incoming calls**. The control buttons on the label on the left side of the hat will enable you to manage your tracks; thanks to the **built-in microphone** you can also converse with your callers.

You can remove the earphones to charge them and to wash the hat*. Just one charge will last for up to 4 hours.
