

Winter hat with built-in stereo headphones and microphone

SKU: TTWINTERCAPSP

Winter pom pom bobble hat with headphones, microphone and answer button, 3.5 mm jack connector, grey/rose colour

This **pom pom hat** is the ideal hat to wear during the winter. Easily connect your smartphone or mp3 player to the built-in stereo headphones thanks to the **3.5 mm universal jack connector**.

Protect yourself from the cold without sacrificing your favourite music: you will be able to travel and walk in the winter while listening to your playlist.

You can also remove the headphone connector to turn it into a comfortable **winter hat**, to wear on any occasion.

This cap has a **microphone** and **button to answer calls**: you will no longer run the risk of losing calls and messages. You can also adjust the volume with the dedicated sound control button.

Avoid the unpleasant feeling that you get while wearing a hat over headphones and always bring this **comfortable, soft, trendy** accessory with you.
