

Wired gaming headset with integrated microphone and lights

SKU: MHHEADBUSTERK

The perfect headset to enjoy every moment of online gameplay

IMMERSIVE GAMEPLAY

If you want to enjoy every minute of gaming on your **Xbox, PlayStation, Nintendo Switch, PC or laptop**, this headset is the perfect choice. In addition, thanks to the **3.5 mm jack connector**, it **also works with smartphones with compatible ports**. The built-in microphone and lights makes it a **true gaming accessory**.

MICROPHONE

The **built-in microphone** allows you to interact with other players online. **You can rotate it** to keep it at the right height or store it next to the ear cup when you don't want to use it. Thanks to the **controls** on the wire, you can also **mute** it whenever you want and **adjust the audio volume**.

LIGHTS

The integrated **blue lights** bring a touch of playfulness and charm to your immersive gaming sessions. **To activate them**, connect the headset to a power source via a **USB port**.

ADJUSTABLE AND COMFORTABLE

The ear cups and headband are made from **soft and comfortable materials**. You can also **adjust the headset to suit your needs**, ensuring that it is perfectly aligned with your ears for **total comfort** over long periods of use.
