MagSafe-compatible case for iPhone 14/13

SKU: TEBKMAGSFIP1461K

Protect your iPhone and charge it wirelessly without having to remove the case!

Protects your smartphone from bumps and scratches

This case covers the whole of your **iPhone 14/13**, fully protecting it from bumps and scratches. The handy flap closes on the screen of the smartphone itself to protect it, while the **flexible TPU material** covers the side buttons without affecting their function. The back of the case also has **microfibre finish** which is soft and pleasant to the touch.

MagSafe compatible

On the back of the case is a magnetic module which makes it **compatible with a MagSafe charger**. This lets you charge your iPhone wirelessly without having to remove the case.

You can also use the case to store your card or ID

The flap comes with **3 compartments** for easy storage of cards and ID documents.

Key features:

- MagSafe-compatible thanks to the integrated magnetic module
- completely covers the smartphone to protect it from bumps and scratches
- flap has 3 pockets for storing cards and ID documents
- camera and port for cable charging are left free
