

## Portable charging station 120,000 mAh at 600 Watts of power

SKU: TEPOWST600W

**Power up to 7 devices simultaneously: smartphones, laptops, tablets, speakers, e-readers, smartwatches, small appliances**

**The perfect charging station for your motorhome, truck and car trips**

The **charging station** is the perfect companion for long trips. Can easily be stored in the boot or passenger compartment of your vehicle thanks to the practical integrated **handle** to power your Apple, Samsung, Huawei, Xiaomi, Oppo devices for days. With its **120,000 mAh** it is, in fact, very difficult to discharge. The integrated **LED spotlights** are useful for night lighting or signalling emergencies.

**Up to 600 Watts of power to charge and power all your devices**

The power station is **universal** and can charge **up to 7 devices at the same time**. It is equipped with **2 USB-C ports** with **Power Delivery (PD)** technology that can deliver **up to 27 Watts**: ideal for charging a **smartphone, tablet or console**. The **USB-A ports** with **Adaptive Fast Charge (AFC)** technology, on the other hand, deliver **18 watts** and are perfect for **TWS headsets, smartwatches, speakers, e-readers, camping lamps**. These technologies ensure a **fast and absolutely safe** charge. The **72-watt DC ports** are dedicated to more demanding devices such as laptop compatibles and other electronic accessories. The most powerful port is the **AC** port dedicated to **power cables** and **chargers with Schuko or European plug**. This port can deliver **up to 600 Watts** and can power not only **any Notebook**, but also **small household appliances, TVs** and motorhome accessories with compatible power. Control the power output via the **LCD screen**.

**3 integrated LED lights for any situation**

On the sides, you will find 3 LEDs that light up with **3 different light modes: fixed, flash and SOS**. On the side of the USB sockets, the **two torch-like spotlights** provide soft lighting that illuminates several metres away. On the opposite side, however,

there is a **lamp** that can easily illuminate a tent or a small room. Use the various lighting options to suit your needs and to signal dangers or emergencies.

#### **In the car, at home or with a solar panel: recharging is easy**

Using the **36 Watt DC IN port** you can power the charging station when the battery has run out of power. Use the included **wall charger** with European plug to easily power it at **home** before or after a trip. Otherwise, you can also use a **car charger** or a **solar panel** with DC connector (not included). In this way, you can charge the 600 watt power station wherever you are and with any type of power. On the LCD display you can check the remaining charge level and the power used to charge the portable power station.

#### **Key features:**

- capacity: 20,000 mAh
- 600 watts of power
- integrated handle
- can charge up to 7 devices simultaneously
- 2 USB-C ports with Power Delivery (PD) technology at 27 Watts
- 2 USB-A ports with Adaptive Fast Charge (AFC) technology at 18 Watts
- 2 x 72 Watt DC OUT ports
- 1 x 36 Watt DC IN port for charging the power station
- 1 x 600 Watt AC port for power cables and chargers with Schuko or European plugs
- 3 LED lights with 3 light modes: steady, flash, SOS
- LCD display to monitor charge level and power output

#### **Includes:**

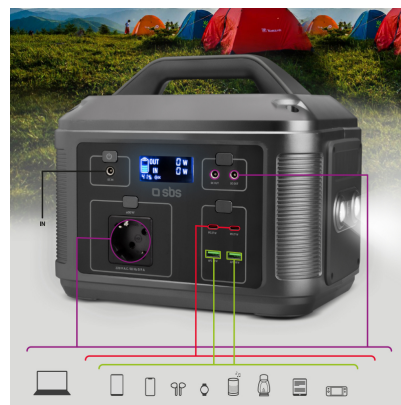

- 1 x AC adapter
- 1 x car charger
- 1 car charger adapter
- Instruction manual

Portable charging station 120,000 mAh at 600 Watts of power  
SKU: TEPOWST600W

## Technical data

Capacity: 120.000 mAh  
Output power: 600 Watts  
LED: 3 LED Lamp  
Input: 36W Max  
Output: AC socket: 220 V A.C. 50 Hz 2-7A (600W Max)  
Connector: 2 USB female, 2xUSB-C, 3 x DC, AC plug  
Plug type: Car Cigarette lighter, EU  
Technology: Adaptive Fast Charge, Power Delivery (PD)  
USB Output: AFC 18W  
USB 2 Output: 5V D.C. 3.0 A / 9 V D.C. 2.0 A /12 V D.C. 1.5 A (18W)  
Charging type: Fast, Power Delivery  
Input voltage: 18V D.C. 2A (36W Max)  
Type C output: 5V D.C. 3A/9V D.C. 3A/12V D.C. 2.25A (PD 27W)  
Included accessories: AC Adapter, User manual, Car charger, Car charger adapter  
Color: black  
EAN: 8018417452406  
SKU: TEPOWST600W  
Weight: 250 g  
Battery capacity: 120000 mAh  
Maximum output power: 600 WATT
