# Selfie Ring Light

SKU: TESELFIERINGLIGHT

## LED selfie light with brightness adjustment

**Light up your selfies**! The *Selfie Ring Light* is the accessory you need to take **perfect selfies** with **the lighting you want**. You can also use it to do live streaming, group chats or tutorials in low light conditions.

This circular LED ring light attaches to the top of your smartphone using a clip. It is **universal**, so it is compatible with any mobile phone, whether Android or Apple. Thanks to its unique, **minimal and elegant** design, the front camera is left free so that you can take selfies.

It is also possible to **adjust the lighting brightness** thanks to a convenient button.

Included in the package is a **USB-Micro USB charging cable** with which you will be able to charge the ring light.
Features:

- LED light
- Fixing clip
- Front camera hole kept free
- Brightness adjustment button
- USB-Micro USB charging cable included
