

## USB-Lightning charger and data-transfer cable with charms

SKU: TESLCABLECHARMIP5W

### Cable for charging and transferring data, with USB-Lightning connectors and ornamental charms

#### REASONS TO BUY

This small cable complete with **charms** offers an alternative and stylish way to charge and transfer data between Apple products. This stylish accessory is sure to become an instant must-have for iPhone, iPad or iPod users.

#### SIMPLE AND INTUITIVE

The cable is extremely user-friendly: all you have to do is insert the **Lightning cable** in the port on your Apple device and plug the USB connector into the relevant port on another device.

You'll be able to charge up your devices quickly, and, if need be, transfer and sync your data. Your best friends will be able to share in the **best bits of your life**, via your images, videos and music.

#### PORTABLE AND PRACTICAL

The Lightning cable is ideal for use at any time of day. Keep it in your handbag and impress your friends with an object that is as **glamorous** as it is **useful**.
