

10W Wireless Speaker with TF Card and USB stick inputs

SKU: TESPARMOURBTW

Listen to music the way you want to: by pairing the speaker with a smartphone or by inserting a flash drive or micro SD card.

FREE LISTENING

Listen to music the way you want to. The **Armour 10W wireless speaker** gives you freedom of choice in how you use it.

WIRELESS

You can pair the speaker with **any type of device**: tablet, laptop, Android smartphone or iPhone. Go into your device's Bluetooth settings and search for Armour. This way, you can play your music from the speaker.

TF CARD AND USB

The speaker has a slot **for a Micro SD card up to 32 GB** and a **USB stick**. You can listen to music from the speaker by simply inserting these two external memories.

Thanks to the **AUX input**, you can connect accessories such as laptops, TVs or MP3s to the speaker via a jack cable.

EVEN PHONE CALLS

Once you've paired or wired up your smartphone, you can use the speaker's **built-in microphone** to talk to people on the phone.

CHARGING

To recharge the speaker, simply plug the included power cord into the **Micro USB** input and connect it to a power source.

TAKE IT ANYWHERE

Thanks to the **lanyard**, it can be attached to the loops of backpacks and duffel bags to keep it with you at all times, even during excursions.
