

## Car holder for Tesla 3, S, X, Y

SKU: TESUPTESLA

### Attach your smartphone to the air vent of your Tesla

#### Designed especially for your Tesla and suitable for any smartphone

This **car support** is designed for those who own a **Tesla 3, S, X or Y** and wants to keep their smartphones from Apple, Samsung, Xiaomi, Huawei, Oppo and many other brands as stable as possible. Drive with total safety and peace of mind.

#### It attaches perfectly to the air intake by means of a clip

Its particular **clip** it is made in such a way as to adapt to the air vent of your Tesla while remaining perfectly stable.

#### Stabilise your phone easily and quickly thanks to the magnetic base

The **magnetic base** it is very convenient: it attracts the phone, allowing it to be fixed with one hand. Inside the package you will also find **2 metal plates** for **attaching your mobile phone magnetically**.

The **round plate with adhesive base** is used to attach the phone directly to the car holder,

while the **magnetic rectangular plate** is applied to the inside of your phone case to secure your smartphone device to the holder.

#### 360° rotatable

The **magnetic car holder** features a **360° swivelling base** for optimal screen viewing.

You will then be able to place your **phone either vertically or horizontally**, depending on your needs.
