

Puppy Light - Rechargeable dog-shaped night lamp with LED light and 10-hour battery life

SKU: GADODLIGHTM

Soft light and creative design for any environment

DECORATIVE NIGHT LIGHT FOR COZY SPACES

The **rechargeable night lamp Puppy Light** combines lighting and design in one accessory. Its dog-shaped design creates a warm and relaxing atmosphere, perfect for **bedrooms, desks, and indoor spaces**, providing a soft light ideal for moments of relaxation.

TOUCH CONTROL AND EASY USE

Thanks to the **one-touch control** and **on/off button**, turning the lamp on and managing it is immediate. Perfect for everyday use, it allows you to activate the light with a simple touch, making it practical as a bedside night light.

USB-C RECHARGEABLE WITH FLEXIBLE DESIGN

Equipped with a **500 mAh battery** and up to **10 hours** of autonomy, this lamp is **USB-C rechargeable** in about 2 hours. The design with **adjustable head, flexible legs, and articulated body** allows you to easily direct the light, adapting to different needs.
