Track Round

SKU: GLBEATROUNDK

Black coloured fitness tracker with heart rate, pedometer, calorie counter, distance gauge and sleep quality tracker

From distance travelled and calories burned to sleep quality and heart rate, with ***Track Round*** you'll have everything under control! This **fitness tracker** monitors the physical activity you do every day. In addition, the bracelet can also receive call or message notifications, and control music playback if required. With one touch of the screen, you will have all the functions at your disposal. Even recharging is simple (which we recommend you do at least once a week). Simply connect the bracelet to a charger or PC port using the micro-USB charging cable included in the package.
To use Track Round, you will need to download the free **Go Life** app that was developed by SBS. With the app installed, it will be easy to monitor your daily physical activity. The app is available for iOS (8.0 and later) on the AppStore and Android (version 4.3 and later) on Google Play.

Features:

- OLED display
- Monitors: Steps taken, distance travelled, calories burned, quality of sleep, heart rate
