USB-C - Lightning charging and data cable with recycling kit

SKU: GRECABLELIGTC12BW

The Made for iPhone (MFi) certified cable in partnership with green_e which helps recycle your old devices

CHARGE YOUR DEVICES AND TRANSFER DATA BETWEEN THEM

The **USB-C - Lightning cable** is perfect for **recharging** an iPhone or iPad compatible with this type of connector. Connect the device to a power source: recharging will start automatically. By connecting it to a PC or laptop, you can also **easily transfer music, videos or documents** on your device.

Made for iPhone (MFi) CERTIFICATION: YOUR IPHONE, IPAD OR IPOD IS IN EXCELLENT HANDS

This cable is Made for iPhone (MFi) certified, meaning it complies with the production standards required by Apple. The Lightning connector is compatible with many models of iPhone, iPad and iPod (check if your device is compatible in the "compatibility" section). **Safety and performance are guaranteed**.

EASILY RECYCLE YOUR OLD DEVICE THANKS TO THE KIT INCLUDED

Thanks to the partnership with **green_e**, a French company that offers sustainable solutions to protect the planet and environment, you can reuse the packaging as an envelope to **recycle an old cable, charger or smartphone**. The process is very simple: insert the **old device inside the package**, **attach the sticker indicating the destination** and post **for free** to the recycling centre.

COMFORTABLE, ALWAYS IN ORDER, MADE OF RECYCLED MATERIAL

This cable is made of **recycled material** (30% max) and has a **10 year warranty**. It is **1.2 metres long:** suitable for every need. What's more, the practical **clip** means it will always be in order and ready to use.
