USB-A - Lightning charging and data cable with recycling kit

SKU: GRECABLEUSBIP589W

The Made for iPhone (MFi) certified cable in collaboration with green_e that helps recycle your old devices

CHARGE YOUR DEVICES AND TRANSFER DATA BETWEEN THEM

The **USB-A - Lightning cable** is perfect for **charging** an iPhone or iPad compatible with this type of connector. Connect the device to a power source: recharging will start automatically. By connecting it to a PC or laptop, you can also **easily transfer music, videos or documents** on your device.

EASILY RECYCLES YOUR OLD DEVICE THANKS TO THE INCLUDED KIT

Thanks to the collaboration with **green_e** , a French company that offers sustainable solutions for the planet and environmental protection, you can reuse the packaging as an envelope for **recycing an old cable, charger or smartphone**. The process is very simple: insert the **old device into the package**, **attach the sticker indicating the destination** and send **by mail for free** to the recycling centre.

Made for iPhone (MFi) CERTIFICATION: YOUR IPHONE, IPAD OR IPOD IS IN EXCELLENT HANDS

This cable is Made for iPhone (MFi) certified, meaning it complies with the production standards required by Apple. The Lightning connector is compatible with many models of iPhone, iPad and iPod (check if your device is compatible in the "compatibility" section).**Safety and performance are guaranteed**.

COMFORTABLE, ALWAYS TIDY, IN RECYCLED MATERIAL

This cable is in **recycled material** (30% max) and is **guaranteed for 10 years**. IT IS **1.2 meters long:** suitable for every need.
