

Charging and data cable for laptop, USB-C 2.0 100W, 2 metres in braided nylon

SKU: LACABLEBRDTCC2M100G

Power and practicality: charge and transfer data quickly with this anti-tangle cable

ULTRA-POWERFUL CHARGING UP TO 100W

The **USB-C 2.0 cable** guarantees **fast and stable charging** for **laptops, smartphones and tablets**. Thanks to the high supported power (**up to 100W**), it is ideal for powering even high-consumption devices such as notebooks, offering reliable everyday performance for all your compatible devices.

FAST DATA TRANSFER UP TO 480 MBPS

This **USB-C 2.0 cable** also allows **data transfer up to 480 Mbps**, perfect for quickly and securely syncing files, photos and documents between devices: for example, you can connect your smartphone to your laptop to charge it and transfer data at the same time. A practical solution for those who work across multiple devices and need efficient connections.

DURABLE AND ANTI-TANGLE BRAIDED NYLON COATING

The **braided nylon coating** makes the cable extremely **wear-resistant** and the **anti-tangle finish** offers maximum convenience for a charging experience free from annoying knots; keep your charging station tidy also thanks to the practical cable organizer included in the package. In addition, the **2-metre** length offers maximum freedom of movement, perfect for use in the office, at home or while travelling.

KEY FEATURES

- Power up to 100W
