

USB-C 2.0 cable 100W, 3 metres, for fast charging and data sync

SKU: LACABLETCC3M100K

Charge your devices and transfer or sync data with one single functional accessory

ONE CABLE FOR ALL YOUR COMPATIBLE DEVICES

This **USB-C 2.0 cable** is compatible with all USB-C devices and supports **charging up to 100W**, making it ideal for quickly powering **laptops, tablets and smartphones**: a powerful and versatile charging solution, perfect for all your compatible devices. Perfect for your work or study days, even outside the home, it guarantees constant and reliable power in every everyday situation.

FAST DATA TRANSFER UP TO 480 MBPS

In addition to charging, this cable also allows you to **transfer and sync data up to 480 Mbps**. Connect your tablet or smartphone to a laptop to take advantage of the double function of charging and data transfer. A practical solution for syncing files, images and documents between devices smoothly, both in professional and home environments.

EXTRA LENGTH FOR UNLIMITED USE

The **3-metre length** offers greater freedom of movement during charging or device use; ideal in the office, at home or while travelling, it ensures comfort even when power outlets are far away, always maintaining high performance and stable connection.
