Charging kit with 65W Power Delivery car charger and 2 m USB-C cable, fast charging for smartphones, laptops and tablets

SKU: LAKITCRPD65WK

Powerful charging on the go for all your devices

FAST CHARGING IN YOUR CAR UP TO 65W

This **kit with 65W car charger and USB-C cable** offers **fast and efficient charging** during every journey. Ideal for smartphones, tablets and laptops, it ensures high performance even on short trips, so your devices are always ready to use when you arrive.

POWER DELIVERY TECHNOLOGY FOR OPTIMISED PERFORMANCE

Thanks to **Power Delivery 3.0** technology, the charger automatically adjusts the power output according to the connected device, delivering energy in a smart and safe way. This system ensures **stable and controlled charging**, prevents overload and improves energy efficiency, even for high-demand devices such as laptops. You can power multiple devices with a single charger, without risks.

2-METRE USB-C CABLE AND COMPACT DESIGN

The kit includes a **2-metre USB-C cable**, perfect for maximum freedom of use even in larger vehicles. In addition to its charging function, this practical cable also supports data synchronization and transfer, making it a complete and versatile accessory. The **compact and ergonomic design** of the charger fits easily into the cigarette lighter socket, while the **USB-C port** ensures compatibility with a wide range of devices.
