# Rechargeable star-shaped nightlight

SKU: LUNIGHTSTAR

## A sweet little glowing star to keep you company all night long

### TOUCH CONTROL AND THREE LIGHT MODES

From a soft glow to brighter lighting, with a simple touch you can choose between **3 different modes: off, light or normal**. Set the light according to the moment or your preferences.

### RECHARGEABLE BATTERY

This **battery-powered nightlight** offers up to **10 hours of battery life**, making it a reassuring companion for the whole night. To recharge the night lamp, simply connect it using the **included charging cable** and it will be fully recharged and ready to use again in just two hours.

### A GLOWING AND CALMING COMPANION

Thanks to its **soft silicone** material and its **cute and reassuring design**, this star-shaped night light is perfect for keeping you company during the night. Thanks to the included adhesive metal plate, you can easily fix the night light wherever you prefer: bring it close and it will **magnetically attach**, staying firmly in place while remaining easy to remove for recharging. Alternatively, place the lamp on any metal surface thanks to the integrated magnet. A **perfect decoration for children's bedrooms**.
