Decorative string lights and lantern

SKU: LUSTRIPLIG10MT

A warm and cosy ambient light: create your favourite lighting setup with the 10 m string lights with included lantern

SET THE PERFECT MOOD WITH THE 5 DIFFERENT LIGHT MODES

Press the on/off button and choose the light mode to set the perfect mood: opt for a **warm, soft light** to create a **cosy atmosphere** by switching on only the **LED string lights** with the steady, firefly or breathing light modes. If you need more light, activate the lantern function for a slightly brighter yet natural illumination, or **combine brightness and aesthetics** by turning on both the string light and the lantern at the same time.

A WARM AND COSY DECORATIVE LIGHT

The string lights feature a **warm light** with a brightness of 50 lumens: perfect for anyone looking for a **homey, soft decorative lighting**. **The lantern** offers an intensity of 250 lumens and a **natural light**, making it ideal for small spaces or as a support light.

1800 mAh RECHARGEABLE BATTERY

This decorative light with lantern can stay on for **6–10 hours**, depending on the selected lighting mode. Then, it can be conveniently **recharged thanks to the USB-C port** on the lantern using the power cable included in the box.

PERFECT BOTH INDOOR AND OUTDOOR

This LED string light with lantern is **IPX4 certified**, making it **water-resistant** and therefore perfect as an **indoor or outdoor decoration**. Thanks to the 10 m cable, you can decorate your bedroom or terrace as you like: hang the string light using the cable hooks and the integrated lantern handle to create your preferred lighting setup. When not in use, the cable wraps neatly around the lantern, making it easy to store and space-saving.

POWER BANK FUNCTION

The lantern also features a USB-A port, allowing you to use it as a power bank to recharge your smartphone or tablet. Thanks to this **dual lighting and charging function**, this accessory is the ideal companion for outdoor adventures, such as **camping**.
