Vibe Semi In-Ear TWS Earbuds with 180mAh Charging Case and Up to 15 Hours of Battery Life

SKU: MHEARMYBUDBTK

Lightweight and secure fit to keep your music with you all day

SEMI IN-EAR TWS EARBUDS FOR MUSIC AND CALLS

The **Vibe semi in-ear TWS earbuds** are designed for listening to music, managing calls, and enjoying everyday audio with total freedom. The semi in-ear design ensures a lightweight and natural fit, ideal while commuting, at the office, or during your free time. You can also move away from the connected device without compromising connection stability: the **wireless range of up to 10 metres** guarantees excellent freedom of movement throughout the day.

TWS TECHNOLOGY WITH AUTOMATIC PAIRING AND DUAL LEADER

True Wireless Stereo technology removes cable clutter and ensures instant synchronization: simply take the earbuds out of the charging case and they will automatically power on and pair, making use quick and intuitive. The **Dual Leader** feature also allows you to use just one earbud independently, perfect for calls or when you need to stay aware of your surroundings while still enjoying an optimal listening experience.

UP TO 15 HOURS OF PLAYTIME AND MULTIFUNCTION TOUCH CONTROLS

The **portable charging case** extends total battery life up to **15 hours**, while the earbuds provide up to **3 hours** of playback on a single charge, letting you enjoy music, audiobooks, and podcasts for longer. Once discharged, the earbuds recharge in approximately **1.5 hours** simply by placing them back inside the case.

The multifunction touch controls offer convenient management of music and calls and also allow you to activate your voice assistant without taking out your device. These earbuds are the perfect everyday companion, from work calls to moments of relaxation.
