

Wired earphones with USB-C connector

SKU: MHEARSETTYCB

The earphones with semi-ear design: comfortable, practical and colourful

Easy to connect thanks to the USB-C connector

Tubb earphones are ideal for those with **smartphones** that don't have an AUX socket but only a **USB-C** socket, such as the iPhone 15 series or the Samsung Galaxy S24. This connector can be inserted from any direction without difficulty, thus ensuring **maximum convenience**.

Built-in microphone and answer keys: makes calls in peace

There is a remote control with a button that will allow you to **answer/ hang up calls**. Tubbs actually feature a built-in **microphone** that also allows you to make calls or record voice messages.

The semi in-ear design provides unparalleled comfort

The semi-ear design of the earphones have a rounded shape and are **easy to insert** in the ear. Soft features ensure optimal **comfort**: you can call and listen to music for a long time without problems.

Key features:

- USB-C connector
- semi-in-ear design
- built-in microphone
- answer/end call button
