Discover how comfortable it is to listen to music and take calls with this USB-C headset

Headsets with USB-C connector: compatible with iPhone 15, Samsung, Xiaomi and many other devices

Our **wired Slight headsets with USB-C connector** are ideal for a wide range of devices. Thanks to their wide compatibility, these headphones are perfect for connecting both to **Android smartphones, like Samsung and Xiaomi, and to iPhone 15s**, PCs, tablets, turntables and any other device with a dedicated audio port. Take advantage of the connector's versatility to enjoy your favourite music or take calls anytime, anywhere.

Practical design for greater comfort

Our headphones not only offer high-quality sound, they are also incredibly practical. Thanks to the rotating **pads**, the headset can be easily stored in bags, backpacks or drawers, optimising use of space and making them easy to carry around. This design makes the headset ideal for anyone who is always on the move.

Long-lasting comfort with padded earcups

With our headphones, comfort is guaranteed even during extended listening sessions. Lightweight and equipped with **earcups padded with soft materials**, they offer an excellent fit; the ergonomic design allows you to enjoy your favourite playlist, podcast or audiobook in total comfort.

Optimised for calls too: integrated microphone and controls

In addition to high-quality listening, our headsets are perfectly equipped to handle your calls. Featuring an **answer/end button and a built-in microphone**, they allow you to speak clearly with your interlocutor, ensuring smooth and uninterrupted communication.

1.2m USB-C cable for unrestricted movement

The headset features a 1.2 metre-long USB-C connector cable. You can keep your smartphone in your pocket or **manage devices even remotely**. This optimal cable length offers the freedom to move around without constraints while connected, making the headset ideal for all situations, at home or on the move.
