Wired headset with adjustable microphone

SKU: MHHEADWORKMATEK

Participate in calls, online classes and webinars in a convenient and practical manner at all times

ADJUSTABLE MICROPHONE ENSURES CRYSTAL-CLEAR COMMUNICATION AT ALL TIMES

The**wired headphones with 3.5 mm Jack connector**allow you to work and study from the comfort of your own home on your **laptop, tablet or smartphone** with a compatible plug.

The **microphone** will help you communicate easily and crystal clear with the other person. **Adjust it to your liking** to get it to the right height and, when you don't need it, you can store it next to the earcup.

MAXIMUM COMFORT: LIGHTWEIGHT, WITH SOFT, ADJUSTABLE EARCUPS

These **wire headphones** are designed for extended use. In fact, they are **extremely light**: you won't even notice that you're wearing them, and you won't feel any pressure.

In addition, the **soft earcups** can be **adjusted as you like** to fit your ears perfectly. Maximum comfort for work or study.

ADJUST THE VOLUME DIRECTLY FROM THE HEADPHONES WITH THE CONTROLLER

The cable features a **practical controller** with a small wheel that allows you to **adjust the volume with a simple gesture**. This way, you can avoid touching the device to which the headphones are connected every time you need to raise or lower the sound.

KEY FEATURES:

- with 3.5 mm jack connector
- adjustable microphone
- extremely light
- soft, adjustable earcups
- controller for adjusting the volume
