Wired gaming earphones with hooks and detachable microphone

SKU: MHINEARGAMEK

Make your favourite games into a truly immersive experience with these wired earphones with detachable microphone

GAMING

These **wired earphones** are designed to make your gaming experience as immersive and enjoyable as possible. The **3.5 mm Jack connector** is compatible with all your favourite consoles, including **Xbox, PlayStation, Nintendo Switch, PCs, laptops, and even smartphones** with the right ports. Their **amplified bass**, adjustable microphone and silicone hooks are perfect for gaming.

HOOKS AND DETACHABLE MICROPHONE

Interact with other players using the **included microphone**. You can **adjust it to suit your needs** or remove it altogether. These earphones are also great for talking on the phone or participating in video calls.

The **built-in silicone hooks** provide optimal **comfort for extended use**, ideal for gaming marathons.

INTEGRATED CONTROLS

The buttons on the earphone wire allow you to **adjust the volume, play/pause music** and **answer calls**.
