Karaoke speaker with microphone

SKU: MHMICPARTYK

Sing along to your favourite songs with just one handy accessory

Connect it wirelessly or use an SD card

No wires are needed to use the **karaoke microphone**. Compatible with any **wireless device**. Lets you play your music. There is also a dedicated port for **SD storage cards.**

Light up the party with vocal effects

When you sing you can rely on **various vocal effects** like the echo and **up to 4 voice modulation modes**. Give due importance to your karaoke moments and enjoy yourself to the max! Its **compact size** means you will be able to take it anywhere.

Integrated controls

There are several buttons on the microphone that allow you to **pause/play a song**, **turn the microphone off/on**, **increase/decrease the volume**, **select a voice effect** and **change voice modulation**.

You can use it for several hours and charging is easy

You can use it for **3 consecutive hours** and, when it is empty, simply connect it to a power source with the **USB-A - USB-C cable included**. It will be ready for use again in 2.5 hours.
