

Bull-shaped wireless speaker

SKU: MHSPEAKBULL

A fun wireless speaker for listening to music and making calls

The bull speaker: stands out with its small size and fun character!

With its adorable size and fun character, the **bull-shaped wireless speaker** is ready to start a party wherever you take it. Its **compact size** makes it perfect for musical adventures on the move. You can slip it into your backpack or bag and take your music everywhere. Plus, thanks to the **built-in microphone**, you can make calls with complete ease. Connect a smartphone, tablet or laptop **without the need for wires** and play your favourite tracks for up to **3 hours** at a time. The **operating range of 10 metres** allows you to move around freely. When out of power, recharge the Bull speaker via the **included USB-A - USB-C cable**.

Control your music directly from the speaker

With built-in controls for **adjusting the volume** and **changing tracks**, the bull-shaped wireless speaker lets you control your playlist with ease. Turn the volume up when you want to let your hair down, and lower it for a quieter evening. With a touch of the button, you can jump from one song to another and choose the perfect soundtrack for every moment.

Soft silicone coating: cuddle it like a pet

This wireless speaker in the shape of a bull is not only a music champion, it is also a real 'softy'. The soft silicone coating makes this bull the perfect combination of comfort and fun. It feels **pleasant to the touch** and reduces stress.
