

Neon: wireless speaker with LED lights

SKU: MHSPLEDCHIL

Discover the loudspeaker to light up your theme parties

The portable speaker with LED lights

Discover **Neon**, the **portable wireless speaker** that combines sound quality and quirky style. This speaker, in fact, is equipped with **luminous LEDs**: the light-emitting plate is made of acrylic material featuring a striking and fun design.

Take your music everywhere: the loudspeaker is easy to use

Lightweight and easy to carry, the Neon wireless speaker is ideal for taking with you wherever you go. Thanks to the practical **on/off button**, switching on the music and LED lights is quick and easy. Take it on trips, to parties or simply move it from one room to another in the house: the music will never stop.

Performance and autonomy

Despite its compact size, Neon offers 3 watts of power, ensuring clear and powerful sound. Enjoy up to **2 hours of uninterrupted music on a single charge**.

Includes a USB-C cable to connect the speaker to a power source and for charging.

Technical Features:

- LED lights illuminating an acrylic plate with a choice of designs
- Portable design for effortless transportation
- On/off switch for ease of operation
- 3 watts of power for an intense sound experience
- Battery life: 2 hours of autonomy
- USB-C cable included for power and charging
