# OWS earphones with integrated ear hooks

SKU: MHTWSHYDRABTW

## The open ear earphones with a modern and practical design

### OPEN EAR EARPHONES: COMFORTABLE AND SAFE

**Hydra** earphones **have** a unique design. **Air Conduction System** technology ensures that sound reaches your ear naturally, **without having to insert the earphones into the ear canal**. Simply hook them on your ear to listen to music whilst, at the same time, being aware of sounds around you, such as. for example, passing cars. It is also equipped with a **microphone**, allowing you have a conversation with someone during calls.

### ULTRA-STABLE THANKS TO INTEGRATED EAR HOOKS

The integrated ear hooks guarantee optimal stability, making the Hydra also suitable for the gym. The **operating radius of 10 metres** ensures a stable signal even when at a distance from the connected device: exercise wherever you like,

### THE CHARGING CASE GIVES YOU ALL THE FREEDOM YOU NEED

If you find yourself on the road and your earphones are out of power, no problem: place your Hydra inside the **charging case** and you will be good to go after **1 hour**, without having to use any other power source. And when the case runs out of power, connect it to a wall charger or to a power bank using the **USB-A - USB-C** cable included.

### MULTIFUNCTIONAL TOUCH CONTROLS TO MANAGE MUSIC AND CALLS

Control your music and calls with a tap directly on the earphones. The built-in touch controls on the earphones also allow you to **play**/**pause a song**, **control the volume**, **answer/reject calls**, **change track** and even **activate the voice assistant**. Keep your smartphone, tablet or laptop in your backpack or bag with peace of mind.
