

Nusoul True Wireless Earbuds with charging case, built-in microphone, ergonomic design and stable wireless connection for music and calls

SKU: MHTWSNUSOULBTA

Total listening freedom: compact design, powerful audio and wireless connection.

Nusoul True Wireless Earphones – Wireless Freedom

The **Nusoul true wireless** earphones are designed for anyone in search of high-quality audio, comfort and practicality in a modern and compact design. The included charging case lets you take them with you wherever you go, providing hours of extra battery life no matter where you are.

Powerful audio and clear calls

Thanks to the integrated drivers, these earphones deliver clear, balanced sound, ideal for music, podcasts, and calls. The **built-in microphone** allows you to make phone calls effortlessly without struggling with background noise.

Stable wireless connection

The **wireless** technology ensures a quick and stable connection with smartphones, tablets and other compatible devices, for a completely wireless listening experience.

Compact charging case

The earphones come with a **charging case** with an ergonomic and lightweight design, which protects the earphones and guarantees multiple additional charging cycles to ensure a remarkable battery life throughout the day.

Comfort and practicality

Thanks to the ergonomic design, the Nusoul earphones remain stable even on the move, making them perfect for everyday use, sports and travel.

Main features:

- **True Wireless:** freedom of movement with no wires.
- **Charging case:** extra battery life and compact protection.
- **Balanced audio** for clear music and calls.
- **Built-in microphone:** clear and noise-free conversations.
- **Ergonomic design:** maximum comfort even during long sessions.
- **Universal compatibility:** smartphones, tablets and other wireless devices.
