Portuguese wireless QWERTY keyboard with stand function

SKU: TAUNIKEYBOARDDW-PR

Connect with any enabled device and enjoy a comfortable typing experience even with a smart TV

Type on any device wirelessly

With the **universal wireless keyboard** you can type on any compatible device without using any wires, with a **range of up to 10m**. The model is **compatible with a wide range of Apple, Android and Windows devices** equipped with a wireless connection, so you can easily type on your smartphone, tablet, laptop or smart TV.

Optimised for the Portuguese language

This wireless keyboard has a QWERTY layout with added tilde and cedilla for Portuguese as well.

Enjoy optimal screen positioning

The **universal wireless keyboard** is equipped with a convenient, practical **support with a removable stand function** for positioning your device. Just attach it to the keyboard and insert your smartphone or tablet into the appropriate slot to stabilise it in front of you and enjoy optimal screen viewing at all times.

Long battery life

Type, read and work for a long time thanks to the **150 mAh (milliampere/hr) long-lasting, reliable battery**. Once charged, the wireless keyboard guarantees you **up to 44 hrs of use**.

When the battery runs out, simply connect it to a compatible power source using the **cable with USB-A to USB-C connectors** (included) to power it.

Ideal for both home and office use

Thanks to its **ultra slim and compact design**, just 6mm thick, it takes up very little space on your office desk or home table. It's also light enough to be carried around in your backpack or bag, so you can keep it with you when out and about.
