Cover for iPhone 17 Pro with coloured edges compatible with MagSafe charging

SKU: TE2MAGCOLIP1763PP

The cover that allows you to charge your iPhone magnetically without having to be removed

PROTECT YOUR IPHONE

Bumps and scratches will no longer be a problem with this cover for **iPhone 17 Plus**. The material it is made of ensures good protection for your phone. Also the **side buttons** are covered and protected, but normal operation is never hindered.

COMPATIBLE WITH MAGSAFE TECHNOLOGY

It is designed specifically for those who want to have full use of their iPhone. The **magnetic module** present on the body allows you to charge your smartphone via a base or a MagSafe charger **without having to remove the cover**. In this way, you can power your iPhone in one go with complete peace of mind. You can also **customise** your phone with any accessory compatible with this technology.

SLIM AND COLOURFUL

Thanks to its slim design, the cover **doesn't weigh down** your smartphone profile. It is **transparent** with **coloured edges and magnetic module**, giving a special new look to your iPhone.

Key features:

- compatible with MagSafe Technology
- material: PMMA + TPU
- also protects the side buttons
- slim design
