2500 W universal adapter with international plugs for the United Kingdom, the Americas and Asia

SKU: TEADAPTEUGND

Charge your devices wherever you are in the world: from London to New York, from Toronto to Tokyo, you will never run out of power again.

ONE ADAPTER FOR ALL YOUR DESTINATIONS

Easily choose the plug you need thanks to the **Push & Slide mechanism**: select the compatible plug by pressing and swiping the side buttons to charge your devices.

SAFETY AND POWER EVEN ON THE GO

This adapter allows you to charge different compatible devices on the go: it is equipped with **two 12W USB-A ports** and a socket which supports a maximum power of **2500W** suitable for **European type C and F/E plugs** (therefore also for devices that require grounding). You will then be able to connect **up to three devices at the same time** and safely: connect, for example, your phone and your tablet to the USB-A ports and your laptop or your hair dryer to the plug.

COMPACT DESIGN TO ACCOMPANY YOU EVERYWHERE

The universal adapter is intended to be the perfect travel companion. Fully retract the plugs thanks to the **Push & Slide** mechanism and make the adapter truly **pocket-sized**: measuring just **60 x 60 x 60 mm** it will fit comfortably in your pocket, in a bag or in your carry-on luggage.
