

GaN universal travel adapter charger

SKU: TEADPTGAN70WUNI

Use it anywhere in the world and charge all your devices

CAN BE USED ANYWHERE IN THE WORLD

This universal travel charger can be used anywhere in the world. It is, in fact, equipped with the **4 types of plug** (EU, UK, USA, AUS) most used across the world. Just lift the levers to make them appear and, wherever you go, you can easily charge your devices.

CHARGE SMARTPHONES, TABLETS AND EVEN LAPTOPS

Has no fewer than **5 USB ports**: 2 USB-A and 3 USB-C. The **USB-A ports** deliver **12W** of power, while the **USB-C** ones deliver **15W**. These plugs are perfect for charging **speakers, TWS earphones, smartphones**. Instead, using only the **red USB-C port** you will be able to charge **70W**. This way you can also recharge **laptops** powered via USB-C, **tablets** and **smartphones** compatible with ultra-fast charging. Thanks to **Power Delivery technology**, this port can carry large amounts of energy without causing overheating or short circuits to the device. You can also use **all 5 ports at the same time** to charge all your devices simultaneously.

GAN: Ultra compact

Thanks to the high efficiency of the Gallium Nitride (GaN) it contains, this charger **is very powerful but extremely compact in size**. In fact, it measures only 72 x 52mm: you can easily put it in your bag or backpack to carry it comfortably on the plane.

TRAVEL BAG INCLUDED

Included in the package you will find a small bag to take it with you everywhere and keep it safe.
