

15W slim universal travel adapter with 2 USB-C ports and 1 USB-A port

SKU: TEADAPTUSB2CSLIMUNI

Compact global charger for up to 4 devices

CHARGE UP TO 4 DEVICES ANYWHERE IN THE WORLD

With this **universal USB travel adapter**, you can power and charge up to four devices simultaneously wherever you are. Compatible with sockets in **Europe, the USA and the UK**, it is ideal for smartphones, tablets, earphones and power banks. With a **maximum input power of 2500 W** and **15 W USB output**, it allows you to use even high-power devices in complete safety during business trips or international travel.

2 USB-C PORTS AND 1 15W USB-A PORT FOR SMART CHARGING

Equipped with **2 USB-C ports** and **1 USB-A port**, it offers a maximum power of 15W. USB-C delivers up to 3A (15W max), while USB-A delivers up to 12W in single mode. For example, you can connect smartphones and tablets via USB-C and a pair of headphones via USB-A, optimising time and space in your suitcase with a single compact solution.

SLIM 3 CM DESIGN WITH CONCEALED PUSH & SLIDE PLUGS

The **slim design of only 3 cm** in thickness and ultra-compact dimensions (50 x 80 x 32 mm) make it perfect for storing in a backpack or trolley. The integrated **push & slide** system allows you to easily select the correct plug for each country thanks to the foldable Type A, Type F, and Type C connectors. A robust and practical all-in-one solution for global charging without additional adapters.
