

Universal travel adapter with built-in USB-C cable

SKU: TEADARET2USB2CPD70W

Charge your devices even when travelling thanks to this universal adapter with international plugs

THE ADAPTER DESIGNED TO ACCOMPANY YOU EVERYWHERE

The universal adapter is intended to accompany you on all your travels: connect your compatible devices using the **USB-A or USB-C port**, or connect your device directly to the **built-in USB-C cable**, and chose the plug you need thanks to the **Push & Slide** mechanism. Simply press and slide one of the side levers to choose the compatible plug: **Europe, UK, USA, Asia or Africa**. The adapter is also equipped with a socket that **supports type G, I, J/L/N, C and A plugs** (do not use with devices that require grounding).

EFFICIENCY AND POWER UP TO 2500 W, EVEN WHEN TRAVELLING

Charge up to **seven devices simultaneously** thanks to this universal adapter. The adapter is equipped with **two 12W USB-A ports**, **two 15W USB-C ports**, a **built-in 70 W Power Delivery cable** and a socket that supports up to **2500 W**: for example, you can connect your smartphone to the built-in USB-C cable, your laptop and your tablet to the USB-C or USB-A ports, and the hair dryer to the socket. The USB-A and USB-C ports are compatible with all laptops and MacBook Airs.

SAFE CHARGING THANKS TO POWER DELIVERY TECHNOLOGY

The USB-C cable lets you safely charge different compatible devices thanks to the integrated **Power Delivery technology**: the energy supplied is automatically regulated based on the needs of the connected device, while ensuring **fast and safe charging**.

COMPACT, FUNCTIONAL DESIGN

Thanks to the **Push & Slide** mechanism, the pins of this adapter retract completely, while the built-in cable can fold neatly into its groove. Thanks to its compact size of **82 x 54.5 x 54.5 mm**, the universal travel adapter is designed to easily fit in your pocket, bag or suitcase. In the box, you will also find a **case** to store the adapter and carry it comfortably with you.
