USB-C adapter for simultaneous audio and charging

SKU: TEADATYCHARGETYCK

Listen to music and charge effortlessly

Fast charging and uninterrupted listening

With the **USB-C audio and charging adapter**, you can **charge your device and listen to music** at the same time: no need to compromise. Perfect for anyone with a **smartphone with no audio jack** who wants to continue listening to podcasts or making calls while their phone is charging.

Universal compatibility and stable connection

The splitter is compatible with **all devices with a USB-C port**, and supports **60 W Power Delivery**, offering **fast and safe charging**. Simply connect it to your smartphone to instantly have two USB-C outputs: one for charging, the other for headphones. Perfect for everyday use, from train commutes to work video calls.

Durable and anti-tangle cable

The **13 cm braided cable** guarantees **flexibility and durability**, avoiding annoying knots and breakages. The compact design makes it ideal for carrying in your rucksack, bag or even your pocket. On a typical day, you can go from your desk to the sofa to the coffee shop, with your splitter always by your side and ready to use.
