10,000 mAh powerbank with Power Delivery technology

SKU: TEBB10000HDPD20K

Small, powerful and safe: the powerbank you've been looking for

High density: higher performance but smaller size

The **10,000 mAh mini powerbank** can recharge your **smartphone**, **tablet**, **e-reade**r, **speaker**, **smartwatch** or your **TWS earphones** several times easily. It is **high density**, so for the same capacity as a standard external battery, you get a smaller size. You will therefore have **high efficiency in a small package**. Put it in your handbag or backpack along with your dead device, and you'll still have room left over to put all your accessories in too!

Integrated technologies ensure fast and safe charging

Can charge two devices simultaneously for a maximum power output of **20W** in total. If your smartphone supports **Power Delivery** technology, use the **USB-C port** individually to benefit from safe and ultra-fast charging. This port can also be used **to charge the power bank** via the **USB-A to USB-C cable included**. The **4 status LEDs** indicate the remaining charge level. Even using the **USB-A port** you will have a very safe charging experience thanks to **Adaptive Fast Charge (AFC)** technology, which adjusts the power according to the power requirements of the device being charged.

Immediately ready for use and transportable by plane

The mini power bank is immediately ready for use as soon as it is taken out of the packaging. It can also be transported by plane **without having to be placed in the hold luggage**. It's a must-have accessory for all your travels!

Key features:

- capacity: 10,000 mAh
- total power output: 20 Watt
- dimensions: 6.2 x 7 x 2.5 cm
- 1 USB-C (20W) and 1 USB-A (18W) port: charge 2 devices simultaneously
- Power Delivery and Adaptive Fast Charge technology
- 4 status LEDs
- immediately ready for use
- can be taken on flights

Contents include:

- 1 powerbank
- 1 x USB-A to USB-C cable
- 1 instruction manual

10,000 mAh powerbank with Power Delivery technology
SKU: TEBB10000HDPD20K

Technical data

EAN: 8018417467226
SKU: TEBB10000HDPD20K
GPSR: The product must not be used by children or by people unable to understand the potential risks., Item subject to WEEE Directive 2012/19/EU, Item subject to Battery Regulation 2023/1542/EU, Item subject to CE marking, Packaging of the item subject to the "Green Dot" recycling system, The item packaging is recyclable, Item subject to UKCA marking
Color: black
Input: 5V D.C. 3A/ 9V D.C. 2A /12V D.C. 1.5A
Output: 20W Max
Weight: 203 g
: 85076000
Battery: 10.000 mAh (37 Wh)
Connector: 1xUSB-C
Technology: Power Delivery (PD)
Connector 1: 1xUSB-C
Charging type: Power Delivery 20W
Battery capacity: 10000 mAh
Recharging cable: USB - Type C
Maximum output power: 20 W
