

Magnetic Power Bank 10000 mAh MagSafe compatible with integrated smart display

SKU: TEBB10000MAGTFT

Quickly charge your devices and keep your power bank's performance under control thanks to the integrated display

SMART COLOR DISPLAY FOR REAL-TIME MONITORING

Keep the main functions of your power bank under control thanks to the **integrated Smart Color Display**. You can **monitor in real time** battery level, output power, voltage, current, temperature and the performance of each single port. Thanks to the Power Control 2.0 technology, the Smart Color Display provides advanced monitoring of the power bank's key parameters: perfect for those who want precise control over charging status and optimal energy management.

MAGSAFE-COMPATIBLE MAGNETIC WIRELESS CHARGING

Thanks to the high-intensity magnetic system, this **10000 mAh power bank** attaches perfectly to compatible smartphones, ensuring stable alignment. The **magnetic wireless charging function delivers up to 15W**, allowing you to power your device without cables and in reduced time: compatible smartphones can be charged in less than an hour. Thanks to the **Automatic Detection System**, this power bank safely charges different magnetic-compatible devices without overload risks: output power automatically adapts to the connected device. Ideal for travel, office or daily commuting, it guarantees instant energy with maximum convenience.

ULTRA-FAST CHARGING VIA 20W USB-C PD PORT

If your device is not compatible with magnetic charging, you can still charge it through the **20W USB-C port**. The **integrated Power Delivery technology** ensures fast and efficient performance, delivering only the energy required by the connected device and avoiding waste.

KEY FEATURES

- 10000 mAh Power Bank
- Magnetic wireless charging up to 15W
- USB-C 20W PD port
- Smart color display
- MagSafe compatible
- Power Control 2.0

PACKAGE INCLUDES

- 1 power bank
- 1 USB-C - USB-C cable
- 1 instruction manual

Magnetic Power Bank 10000 mAh MagSafe compatible with integrated smart display
SKU: TEBB10000MAGTFT

Technical data

SKU: TEBB10000MAGTFT

Weight: 200 g

Battery capacity: 10000 mAh

Recharging cable: USB - Type C

Maximum output power: 20 W

EAN: 8018417532979

GPSR: The product must not be used by children or by people unable to understand the potential risks., Item subject to WEEE Directive 2012/19/EU, Item subject to Battery Regulation 2023/1542/EU, Item subject to CE marking, Packaging of the item subject to the "Green Dot" recycling system, The item packaging is recyclable, Item subject to UKCA marking

Color: black

Input: 5V D.C 3A / 9V D.C 2A

Output: 5V D.C. 3A/9V D.C. 2,22A/ 12V D.C. 1,67A (PD 20 W)

Battery: Lithium polymer battery

Connector: 1xUSB-C

Technology: Compatible with MagSafe, Power Delivery (PD)

Charging type: Wireless Charge

Other features: MagSafe technology compatible

Wireless Output: 15W/10W/7.5W/5W

Included accessories: 1 USB-C power cable
