Outdoor lantern with 3000 mAh Power Bank and mosquito-repellent light

SKU: TEBB3000OUTMOSQK

The perfect choice to enjoy your outdoor adventures in total freedom: it lights up, eliminates mosquitoes, and charges compatible devices.

The perfect accessory to enjoy outdoor activities in total freedom

This **3-in-1 outdoor lantern** from the Wild Gear line is the ideal accessory for people who love to experience nature but don't want to sacrifice their comfort. **Illuminate** your outdoor evenings, **eliminate those annoying mosquitoes, and recharge** your compatible devices.

Waterproof lantern

Hang this lantern using the folding hook and direct the light as needed by rotating it up to 90°. You can choose between **three different lighting modes**: shift from powerful light to a softer option by turning on just one section of the lantern, two sections, or all three.

Wave mosquitoes goodbye with Zapper mode

Press the button on the lantern to switch from normal lighting mode to the **mosquito-repellent function with UV light**: with a battery life of 20 hours, it will protect you from bites and ensure a good night's sleep, free from annoying buzzing.

Emergency Power Bank

Charge your compatible devices via the integrated **USB-C port**: this Power Bank delivers **up to 10W of power**, making it perfect for charging smartphones, earphones, speakers, GPS devices and many other accessories.

Lightweight, compact design

Thanks to its small size and compact design, this 3-in-1 lantern is designed to fit comfortably in your rucksack without taking up too much space: perfect to take with you on hikes and while camping and trekking.

Technical features and package contents:
