Portable compressor with 3600 mAh 5W Power Bank function and LED flashlight for emergencies and outdoor use

SKU: TEBB3600OUTAPK

Inflate, illuminate, and recharge wherever you are. Your smart companion for cars, bikes, travel, and emergencies.

The multifunctional companion for every situation

Air Pro 5W PowerBank is a **portable air compressor** with a built-in **3600 mAh battery**, **power bank functionality**, and an integrated **LED flashlight**. It's the ideal accessory for cars, bikes, sports, camping, or emergency situations—all packed into a compact body, complete with a **carrying pouch**.

Easy and safe inflation for every use

With **5 preset modes** and customizable values, the compressor inflates **car, motorcycle, and bicycle tires**, as well as **inflatables, camping mattresses, and sports balls** with precision. The **digital display** shows real-time readings and supports **PSI, BAR, kPa, and Kg/cm²**. Inflation stops automatically when the desired pressure is reached.

Emergency power bank always ready

The built-in **3600 mAh battery** allows you to charge smartphones, earbuds, cameras, and other devices via **USB-C and USB-A ports**. A **USB-C/USB-A charging cable is included** in the package.

Integrated LED Flashlight with SOS Function

The LED flashlight features **3 light modes**: steady white, red, and **flashing SOS**. Perfect for use in low-light environments, blackouts, or emergency roadside signaling.

Accessories included for every need

The package includes **4 interchangeable nozzles** to suit every use:

- **Schrader** – for cars and motorcycles
- **Presta** – for bicycles
- **Tapered** – for air mattresses and inflatables
- **Needle** – for sports balls

Technical Specifications
