

Fan with 4000 mAh Power Bank, adjustable light and solar charging

SKU: TEBB4000OUTFANK

Illuminate, charge and cool off: this 3-in-1 fan is perfect for fans of camping, hiking and other outdoor activities

An essential accessory for outdoor enthusiasts

This fan with 4000 mAh Power Bank and integrated lantern from the Wild Gear line is a must-have accessory for **outdoor activity aficionados, especially in warm climates**. Thanks to the convenient folding hook, you can hang this accessory wherever you like to make the most of its **lighting, charging and fan functions**.

Fresh air thanks to Fan Mode

Choose between **four speeds** to enjoy fresh air wherever you are: make the most of your evenings in the tent and out in the open without suffering in hot and muggy conditions.

Adjustable lighting

The integrated lantern function allows you to select the lighting you prefer, choosing between **two levels of white light and a soft red light**.

Solar charging

Thanks to the **integrated solar panel**, you can easily charge this fan by placing it in the sun: leave it charging during the day to enjoy light and fresh air in the evening.

An energy source to take with you wherever you go

This rechargeable fan also works as an **emergency Power Bank**: connect your compatible devices to the **10 W USB-C port** to make sure you never run out of power, no matter where you are, even when camping or on long hikes. Ideal for smartphones, earphones, speakers, GPS devices and many other accessories.

Make the most of your days spent outdoors: illuminate, cool and recharge with a single accessory.
