5000 mAh 15 W Qi2 magnetic power bank with semi-solid state battery and LCD

SKU: TEBB4200SSBQI2

Greater efficiency and safety thanks to the semi-solid state battery

MAGNETIC WIRELESS CHARGING UP TO 15 W

Compatible with **Qi2** and with the **Mag** ecosystem, it attaches stably to your iPhone, ensuring perfect alignment and **wireless charging up to 15 W**. Ideal for safe everyday use, **with no need for cables**.

SEMI-SOLID STATE BATTERY: SAFER, SMARTER, MORE COMPACT

This power bank integrates a **5000 mAh Semi-Solid State battery**: next-generation technology that offers concrete benefits in everyday life. Compared to traditional lithium batteries, this style is **safer**, as it reduces the risk of overheating and maintains maximum stability even after many usage cycles.

The compact internal design encapsulates **more energy in less space**: you can easily carry it in your pocket, bag or rucksack without sacrificing power. Additionally, power management is more efficient: each charge is optimised to consume less and deliver consistent performance for longer.

This battery is also **flight-friendly**: a key advantage that allows you to take it with you on the plane with no stress. In a nutshell: **more reliability, more practicality and a longer life** in a compact format designed to accompany you everywhere.

DUAL CHARGING: WIRELESS + USB-C

In addition to wireless charging, the **USB-C port (up to 20 W)** allows you to charge a second device via cable. In combined mode, it delivers **10 W (USB-C) + 5 W (wireless)** so that you can power two devices at the same time.

LCD TO KEEP AN EYE ON CHARGING PROGRESS

The integrated **LCD** displays the remaining percentage in the power bank, allowing you better manage your charging times and priorities throughout the day. Once it is empty, this charger can be recharged via the USB-C port and cable included in the package.

KEY FEATURES

- 5000 mAh semi-solid state battery
- 15 W Qi2 wireless charging
- USB-C port up to 20 W
- dual output: 10 W + 5 W
- stable magnetic attachment

- LCD to display the remaining percentage

INCLUDES

- 1x 5000 mAh mag power bank
- 1x USB-C cable
- 1x quick start guide

5000 mAh 15 W Qi2 magnetic power bank with semi-solid state battery and LCD
SKU: TEBB4200SSBQI2

Technical data

EAN: 8018417529306
SKU: TEBB4200SSBQI2
GPSR: The product must not be used by children or by people unable to understand the potential risks., Item subject to WEEE Directive 2012/19/EU, Item subject to Battery Regulation 2023/1542/EU, Item subject to CE marking, Packaging of the item subject to the "Green Dot" recycling system, The item packaging is recyclable, Item subject to UKCA marking
Color: gray
Net Depth: 1.2000 cm
Input: 5V D.C. 3A/9V D.C. 2A (18W)
Net Width: 7 cm
Net Height: 10 cm
Output: , Wireless: 5W/7.5W/10W/15W
Weight: 295 g
: 85076000
Battery: semi-solid state
Technology: Qi2
Battery capacity: 5000 mAh
Recharging cable: USB-C - USB-C
